**Subject:** call from [Ex. 6 - Personal Privacy] Dimock sampling results

Hi Trish -

Roy received a voice mail from [Ex. 6 - Personal Privacy], a resident of northeastern PA who has been following environmental issues potentially associated with natural gas development. In her message, she states that she is disappointed by the EPA press release (likely our statement issued to the press). She wanted to know what homes were sampled. She also mentioned that our press release only listed 4 compounds, but she was wondering about the results for other organics, etc.

Would you be able to make contact with [Ex. 6 - Personal Privacy] I can also forward you her voice mail.

Please let me know - thanks!  
Jennie
